SPA PACKAGES

Price is per person

Linen and steam

Relax and unwind thanks to ideal combination of natural ingredients and our signature steam room.

2 h 30 min 17 100

Steaming opens up the pores and helps cleanse the outer skin, relieves muscle tension. It is followed by linen scrub and mask which improves the quality of skin, makes it smooth, firm and fresh. The combination of manual massage and herbal balls massage will relax the body. Grape seed oil will soften the skin, and heated balls with flaxseeds and salt will gently warm up the muscles and have a healing effect on the body.

Rowanberry and mud

A spa package with natural healing ingredients will be a valuable gift for tired skin. The complex includes a scrub, body wrap and manual massage.

2 h 14 100

The scrub contains rowanberry - a source of vitamins and minerals: vitamins of group B, C, E, magnesium, iron, calcium, sodium, phosphorus. A pleasant heated cream will soften, remove roughness and rejuvenate the skin.

A body wrap based on the famous Sestoretzkaya mud has not only a cosmetic, but also a therapeutic effect. Followed by manual massage, which improves blood circulation and metabolic processes, relieves body tension.

Poppy and herbs

Herbal bath, poppy scrub and traditional Russian massage with buckwheat balls will increase immunity and have a beneficial effect on the entire body.

2 h 14 100

A poppy scrub rich in vitamin E in a combination with oil and sugar moisturizes and improves skin tone. Wellness massage with buckwheat balls has been known for more than three centuries. You will love the relaxing buckwheat scent, the heated bags will give your body a gentle warmth, relieve tension from the whole body.

Rhassoul for two

Spa treatment for two in Oriental suite will allow you to relax and get a special feeling. Healing clay Rhassoul will saturate the body with minerals and relieve fatigue. The combination of a natural full body mask with the pleasant warmth of a hamam gives an excellent cosmetic effect. Puffiness goes away, pores are cleaned, the skin is moisturized and smoothed. The final touch is application of argan oil to the body.

1 h 7 600

All prices are in rubles including VAT. All the additional treatments cannot be purchased separately, only together with the main treatment.

ETHNICAL TREATMENTS

Turkish soap steaming

Turkish-style spa treatment includes warming up in hammam, kessa glove peeling massage in a soapy cloud which gives a feeling of lightness and weightlessness and relieves stress.

60 мин 4 600

Moroccan steaming

Moroccan-style spa treatment based on white clay "Rassul", rich in minerals, iron and magnesium oxides. Steaming in hammam, soft peeling with black soap, accompanied by oriental aromas perfectly moisturizes and nourishes the skin, improves the emotional state.

90 min 6 800

Sheeradhara

Ethnical spa treatment in which warm oil is poured in a continuous stream over the forehead or the third eye, an area where nerves are highly concentrated. The oil saturates into the forehead and scalp and penetrates into the nervous system. The gentle pressure and soothing warmth of the oil allow the body, mind and nervous system to experience a deep state of rest, similar to meditation.

90 min 6 800

Abyanga

Luxuriously relaxing, blissfully comforting full body oil massage acts as a powerful recharger and rejuvenator of mind and body. It is nourishing, relieves fatigue, provides pleasure and perfect sleep, enhances the complexion of the skin and promotes longevity.

90 min 6 800

In addition to the treatment you can have

Blowdry

30 min 1 000

All prices are in rubles including VAT. All the additional treatments cannot be purchased separately, only together with the main treatment.

BODY TREATMENTS

Carelica steaming Our signature body spa treatment is carried out in an individual sauna (Russian Suit). Delicate steaming with specially cut birch or oak brooms and snow bath tones the body. Gentle berry scrub, and vitamin seaweed wrap nourishes the skin.

90 min 6 800

Result: prevention of insomnia, deep emotional relaxation.

The sculpting treatment This treatment is an effective supplement for fitness. The program includes peeling, alginate mask based on algae, aimed at powerful skin tightening and a modeling massage. The combination of active ingredients stimulates the breakdown of fats, removes toxins, improves metabolism, makes the skin firm, elastic and lifted.

90 min 5 600

Aromatic Royal beauty Tranquility A unique facial and body treatment specially designed by Comfort zone. A multi-stage treatment includes gentle hydration, deep nutrition and effective toning of the skin.

90 min 7 800

————— *In addition to the treatment you can have* —————

Eye care 30 min 1 600

All prices are in rubles including VAT. All the additional treatments cannot be purchased separately, only together with the main treatment.

THALASSOTHERAPY

Thalassotherapy with concentrated sea water "Remineralizing care"

The treatment is based on sea water, sea salt, seaweed, saturated with minerals, restoring chemical balance and increasing resistance to harmful toxins. It consists of three stages: cleansing the skin "Salt peeling", wrapping and applying a moisturizing milk.

The innovative ingredient ThaliSource® used in peeling moisturizes the skin and improves lipolysis processes, opens the pores of the skin and prepares it for the next stage - a wrap based on Algoserum gel. The gel contains the necessary zinc, iron, magnesium, copper, vitamins E and C. It restores, cleanses, strengthens and tones the skin, makes it smooth and elastic. The final touch is the application of a moisturizing milk to the body.

60 min 5 200

Thalassotherapy with sea mud Peloid Guerande

The treatment starts with a salt peeling with sea salt crystals and algae extracts. Gentle cleansing and moisturizing activates microcirculation and increases the skin's sensitivity to nourishing ingredients.

Peloid mud wrap gives a feeling of rest and relaxation, makes the body slim and fit. Guéranda sea mud is rich in high quality minerals, which stimulate intercellular metabolism, relieves tight muscles and facilitates to relax major muscle groups. The final touch is the application of a moisturizing milk to the body.

60 min 5 200

Thalassotherapy with seaweed Tri-active.

Powerful triple treatment with seaweed will start metabolic processes of the body, remove toxins and mineralise your body. The Tri-Active Spa package includes unique treatments with sea salt, seaweed and sea minerals.

The "SALT PEELING" fluid with crystals of sea salt delicately cleanses and moisturizes the skin, activates its microcirculation and increases the sensitivity to nourishing ingredients.

The activator serum "BODY CONTOUR" immediately triggers the thinning mechanism.

The THREE ALGAE body wrap saturates body with minerals, activates cellular metabolism and stimulates microcirculation.

MODELING CREAM with a marine scent gives excellent long-lasting and gentle glide. The combination of sea water and algae extracts improves skin elasticity, maintains vascular tone and promotes energy circulation, leaving the skin soothe and rejuvenated.

60 min 5 200

FACIAL TREATMENTS

Instant beauty

Designed to leave your skin rejuvenated and glowing, this treatment features specially selected products with herb extracts and oils. It includes delicate cleansing, massage with a special device, mask which stimulates production of hyaluronic acid.

60 min 4 200
